- Our core aim is to alleviate hunger and guarantee that everyone can enjoy a satisfying meal before concluding their day. Supervising efficient food distribution across all food booths.
- During the peak of the COVID-19 outbreak, our team worked tirelessly 24/7. We provided essential medical aid and delivered food directly to people's residences.
- Maintained strict adherence to safety protocols, including continuous sanitization and mask usage. Our efforts extended to safeguarding the well-being of senior citizens, recognizing their higher vulnerability.
